Education:

BA in Economics, Certificate in International Relations anticipated May 2017
Wesleyan University, Middletown, CT

Experience:

Alumni Support Specialist, September 2014- Present

Work under University Relations and coordinate with Information Technology Services to assist alumni with issues they have using Wesconnect (the website for the alumni network), alumni email, and other services that we offer alumni. Responsible for updating the alumni database, checking the accuracy of our alumni records, and remaining confidential about alumni personal information.

Reference: Aditi Kini, Assistant Director of Online Communications, Wesleyan University,
akini@wesleyan.edu

Cardinal Scholars tutor, March 2015- Present

Tutoring high school students in a variety of subjects via Skype and online tutoring sessions. Subjects include economics, calculus, biology, chemistry, and other high school-level courses.

Upward Bound tutor, February 2014- May 2014

Tutored high school students at Platt High School in Meriden, Connecticut in math, science, history, and literature. Kept track of students' progress, updated my supervisor on their progress, and made the necessary adjustments to keep lower income students on track to four-year universities.

Reference: Miguel Peralta, Program Coordinator, Upward Bound Math-Science Program, (860) 685-3186
